

### **William Grayson to William Short, New York, 10 November 1787 (excerpt)**

As to the two Carolinas and Georgia, I have not yet heard much about them. The general supposition is that it will go down very smoothly in those regions. As to the latter, it is highly probable as she is at present very much embarrassed with an Indian war, and in great distress; and as she will pay nothing under any government, it is very immaterial to her how many changes are effected. This latter observation will apply in a great degree to some of her neighbors.
